Required under **this** permit: Temporary Permanent None
Material(s): _____ " Asphalt _____ " Concrete _____ " Gravel Grass/other:

Permit approval is subject to the following conditions:

1. The Applicant is responsible to obtain any further permits that may be required for this project.
2. The Applicant shall install the proposed facilities as shown on the plan(s) that were submitted to the Town of Minocqua.
3. The field representative shall have a copy of the approved permit on-site at all times.
4. Any facilities installed as part of this permit shall be installed outside the pavement structure or road bed and at least 6 feet from all existing Town facilities, wherever feasible.
5. The Applicant shall be responsible for locating and protecting other utilities prior to excavation including municipal storm sewer pipes and structures.
6. This permit is subject to IMMEDIATE REVOCATION if the conditions of this permit are not followed or if unfavorable traffic conditions develop.
7. **Upon completion of work notify the Public Works at 715-356-5296 for inspection.**

The applicant, in exchange for receiving this permit, warrants that all street excavations shall be performed in conformity to Town ordinance, standards and specifications, be properly barricaded and lighted, and be performed in a workmanlike manner. In the event that the Town Specifications and/or permit conditions are not followed, the applicant agrees to assume liability for any costs incurred by the Town for corrective work required to bring the subject area into compliance with said Specifications. By applying for and accepting this permit, permit holder agrees to assume liability for any and all damages resulting from his occupancy, use or excavation of the street or premises. No work shall commence prior to approval of this permit by the Town of Minocqua.

The applicant shall make all permanent or temporary repairs to any/all excavations caused by the work done herein as directed by the Town. All repairs shall be done in accordance with standards and specifications in place at the time this permit is issued.

My signature, as the applicant/permittee, acknowledges that I have read the above, understand the same and agree to be bound by the terms herein.
